

Additional information on sport, art and culture

This supplementary report gives an overview of some of Lonmin's community sport contributions. It supports the information available in the 2017 Sustainable Development Report, which is available in full at <http://sd-report.lonmin.com/2017/>.

The Company supports various sports tournaments and provides ad hoc assistance to individuals and teams who qualify for district, provincial and national competitions. Lonmin sponsors an annual school sports tournament in which 183 under-13 to under-17 sports teams from 30 schools in the communities around our Marikana operations participate in netball, soccer, volleyball and chess.

Lonmin provides transport for teams in our surrounding communities playing in the Castle League and LFA League. Lonmin procured 10 junior and six senior soccer kits, which included 300 soccer cones, markers, bibs, flags and shin guards. Lonmin assisted with registering four Marikana teams in the Rustenburg Super league and Promotional league. We assisted Captain Eleven Team with training equipment, which included ladders, cones, speed balls, and soccer boots.

We assisted the Wonderkop Boxing Club to attend the Elite Championship held in East London in June 2017. Five members of the Marikana Boxing club were sponsored to take part in the International Boxing Championships Title Fight in Cape Town during May 2017. We provided transport to the Marikana Boxing Club to participate in the University Championships for All Sporting Codes in Durban during June and July 2017.

Lonmin sponsored Atang Witbooi to participate in the World Cricket Challenge, which was held in Melbourne, Australia in December 2016. Junior and senior teams from Bapong were provided with cricket equipment, including cricket bats, balls, helmets, abdominal guards and sets of pads.

Andricus Douwie, a grade 11 learner from Bergsig Academy, was selected to participate in the Under-19 Sevens Invitational Rugby team. The team participated in the EMIRATES HSBC Dubai 7s Tournament in Dubai in November 2017. Lonmin contributed half of the costs of the tour.
